TAVANA RAHI REGISTRATION

YEAR 2025 - 2026

Tavana Rahi - Registration & Commitment

Mahalo for choosing to join our Tavana Rahi 'ohana. When you register for classes, you are committing to a **full year** of training, cultural learning, and performances. This one-year commitment helps our dancers grow together, build confidence, and prepare for stage opportunities throughout the year.

Monthly Dues

Tuition is due on the **1st of each month**. Timely payments allow us to provide quality instruction, use of facility, cultural workshops and opportunities for our dancers to shine.

Performances:

All dancers are expected to **participate in performances** suited to their level of dance. Each Papa will have choreography and stage opportunities appropriate for their age group and skill level. Performances and competition are an important part of the learning experience, helping dancers build stage presence, teamwork, and pride in their culture.

By registering, you are committing to:

- Commit to one full year of classes
- Attending classes regularly
- Maintaining your monthly dues on time
- Participating in scheduled performances and competition
- Respecting the group, fellow dancers and cultural traditions.

Your commitment supports the growth, teamwork and cultural pride of our Tavana Rahi group.
